

Mohamed Abdessalam

DIGITAL MARKETING • SALES • OPERATIONS •
TECHNICAL SUPPORT

ABOUT ME

A versatile professional with hands-on experience in digital marketing, sales, inventory management, photography and video editing, plus field training in customs clearance and the medical equipment sector. I am currently continuing my training in cybersecurity and in AI tools, which I use to improve productivity and organise workflow. I am looking for a role that will broaden my experience and let me contribute effectively within a team.

PROFESSIONAL EXPERIENCE

Marketing & Sales

Medical equipment company — Nouakchott

- Supported the marketing and promotion of medical products.
- Handled client communication, product presentation, orders and after-sales follow-up.
- Contributed to inventory management and organisation.

Customs Clearance Trainee

1.5 years

Practical training

- Learned customs clearance procedures and applied them in practice.
- Prepared and reviewed required documentation; followed up on import and export transactions.
- Gained practical knowledge of shipping and logistics procedures.

Photography & Video Editing

Freelance work and volunteer projects

- Shot and prepared visual content for publication, and edited video material.
- Delivered work for a charitable association and independent projects.

TRAINING & DEVELOPMENT

Cybersecurity

IN PROGRESS

Fundamentals of system and account protection and secure data handling.

AI Tools

IN PROGRESS

Using AI tools to organise work, produce content and increase productivity.

Practical field training

In customs clearance and in the medical equipment sector.
